Please include your URL (your website URL where you want to show the Rufflesshop) in the email.

Please also note the currency in which you want to invoice items: USD, EURO or CHF for example or others.

Please note your email address where you would like to send your customers' shopping carts from Rufflesshop (webmaster email).

Please provide your complete address.

We will send you a ZIP file in an email with all the data in the root and image folder.

We'll then send you an email with the secret content management link on your root, which you can use to easily add descriptions to the first 120 articles. This is also possible in the editor via WS-FTP website access. The corresponding article descriptions are preformatted in UTF-8 (1.txt, etc.) and can be mutated into your own image folder after downloading (using the "view file" command) and uploaded again!

On this page, you can organize your photos by menu. (Label the menu in the root using TXT files.) You can submit the photos to us on CD, DVD, or USB stick. If there are only 120 photos, you can also send them by email. The required photo size is 800 x 450 pixels. At least 5 items per menu, starting with 1.jpg / 2.jpg / 3.jpg / 4.jpg / 5.jpg up to 250.jpg. Then follows menu 2 with 251.jpg / 252.jpg / 253.jpg / 254.jpg / 255.jpg up to 500.jpg.
